PROXY STATEMENT
FOR THE 2019 ANNUAL MEETING OF STOCKHOLDERS

APRIL 24, 2019

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials over the internet. Accordingly, we have sent you a Notice of Internet Availability of Proxy Materials (the "Notice") because the Board of Directors (the "Board") of KemPharm, Inc. (sometimes referred to as "us," "we," the "Company" or "KemPharm") is soliciting your proxy to vote at the 2019 Annual Meeting of Stockholders (the "Annual Meeting"), including at any adjournments or postponements of the meeting. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about March 15, 2019 to all stockholders of record entitled to vote at the Annual Meeting.

Will I receive any other proxy materials by mail?

We may send you a proxy card, along with a second Notice, on or after March 26, 2019.

How do I attend the Annual Meeting?

The meeting will be held on Wednesday, April 24, 2019, at 9:00 am local time at our headquarters, located at 1180 Celebration Blvd. Suite 103, Celebration, FL 34747. Directions to the Annual Meeting may be found at www.kempharm.com. Information on how to vote in person at the Annual Meeting is discussed below.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 5, 2019 will be entitled to vote at the Annual Meeting. On this record date, there were 26,675,552 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If at the close of business on March 5, 2019 your shares were registered directly in your name with KemPharm's transfer agent, Computershare Trust Company, N.A., then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to vote by proxy over the telephone or on the internet as instructed below or return the proxy card we may mail to you to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If at the close of business on March 5, 2019, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of

shares held in “street name” and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

- Election of two directors; and
- Ratification of the appointment by the Audit Committee of the Board (the “Audit Committee”) of RSM US LLP (“RSM”) as independent registered public accounting firm of the Company for its fiscal year ending December 31, 2019.

What if another matter is properly brought before the meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote “For” all the nominees to the Board or you may “Withhold” your vote for any nominee you specify. For each of the other matters to be voted on, you may vote “For” or “Against” or abstain from voting.

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy over the telephone, vote by proxy through the internet or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote over the telephone, dial toll-free 1-800-652-8683 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the Notice. Your telephone vote must be received by 11:59 p.m. Eastern Time on April 23, 2019, to be counted.
- To vote through the internet, go to <http://www.envisionreports.com/KMPH> to complete an electronic proxy card. You will be asked to provide the company number and control number from the Notice. Your internet vote must be received by 11:59 p.m. Eastern Time on April 23, 2019, to be counted.
- To vote using the proxy card, if you request one or we elect to deliver one, simply complete, sign and date the proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a Notice containing voting instructions from that organization rather than from us. Simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

We provide an internet proxy to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own at the close of business on March 5, 2019.

What happens if I do not vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and do not vote by telephone, through the internet, by completing your proxy card, or in person at the Annual Meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner and do not instruct your broker, bank or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether the New York Stock Exchange (“NYSE”) deems the particular proposal to be a “routine” matter. Brokers and nominees can use their discretion to vote “uninstructed” shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the NYSE, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), executive compensation (including any advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation), and certain corporate governance proposals, even if management-supported. Accordingly, your broker or nominee may not vote your shares on Proposal 1 without your instructions, but may vote your shares on Proposal 2.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, “For” the election of both nominees for director and “For” the ratification of the appointment by the Audit Committee of RSM as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2019. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notice to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may grant a subsequent proxy by telephone or through the internet.
- You may submit another properly completed proxy card with a later date.
- You may send a timely written notice that you are revoking your proxy to our Secretary at 1180 Celebration Blvd. Suite 103, Celebration, FL 34747.
- You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card, telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals and director nominations due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by November 16, 2019, to our Secretary at 1180 Celebration Blvd. Suite 103, Celebration, FL 34747. If you wish to submit a proposal (including a director nomination) at the meeting that is not to be included in next year's proxy materials, you must do so by January 25, 2020, but no earlier than December 26, 2019; provided, however that if next year's annual meeting is advanced more than 30 days prior to or delayed by more than 30 days after April 24, 2020, your proposal must be submitted (i) not earlier than the close of business on the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting; or (ii) the tenth day following the day on which public announcement of the date of such meeting is first made. You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes "For," "Withhold" and broker non-votes; and, with respect to the proposal to ratify the Audit Committee's appointment of RSM as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019, votes "For" and "Against," abstentions and, if applicable, broker non-votes. Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

What are "broker non-votes"?

As discussed above, when a beneficial owner of shares held in "street name" does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed by the NYSE to be "non-routine," the broker or nominee cannot vote the shares. These unvoted shares are counted as "broker non-votes."

How many votes are needed to approve each proposal?

The following table summarizes the minimum vote needed to approve each proposal and the effect of abstentions and broker non-votes.

<u>Proposal Number</u>	<u>Proposal Description</u>	<u>Vote Required for Approval</u>	<u>Effect of Abstentions</u>	<u>Effect of Broker Non-Votes</u>
1	Election of Directors	Nominees receiving the most "For" votes	Withheld votes will have no effect	None
2	Ratification of the appointment of RSM US LLP as the Company's independent registered public accounting firm for fiscal year ending December 31, 2019	"For" votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter	Against	None

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting in person or represented by proxy. At the close of business on the record date, there were 26,675,552 shares outstanding and entitled to vote. **Thus, the holders of 13,337,777 shares must be present in person or represented by proxy at the meeting to have a quorum.**

Your shares will be counted towards the quorum only if you submit a valid proxy by telephone, internet or proxy card (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

The Board presently has six members. There are two directors in the class whose term of office expires in 2019. Each of the nominees listed below is currently a director of the Company who was previously elected by the stockholders. If elected at the Annual Meeting, each of these nominees would serve until the 2022 annual meeting of our stockholders and until his successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal. It is our policy to encourage directors and nominees for director to attend the Annual Meeting. All of our directors attended the 2018 annual meeting of our stockholders.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, the two nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee may instead be voted for the election of a substitute nominee proposed by our Board. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that either nominee would be unable to serve.

Our board of directors believes that Dr. Tierney's experience as a pharmaceutical company executive provides him with the qualifications and skills to serve as a director of our company.

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under the Nasdaq Stock Market (“Nasdaq”) listing standards, a majority of the members of our Board must qualify as “independent,” as affirmatively determined by the Board. Our Board consults with our counsel to ensure that the Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent registered public accounting firm, the Board has affirmatively determined that the following five directors are independent directors within the meaning of the applicable Nasdaq listing standards: Messrs. Pascoe, Plooster, Saluri, Thompson and Tierney.

In making this determination, the Board found that none of these directors had a material or other disqualifying relationship with us. The Board considered the current and prior relationships that each non-employee director has with us and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. Dr. Mickle, our president and chief executive officer, is not an independent director by virtue of his employment with the Company.

BOARD LEADERSHIP STRUCTURE

Our Board is currently chaired by our president and chief executive officer, Dr. Mickle. The Board has also appointed Mr. Pascoe as our lead independent director.

We believe that combining the positions of chief executive officer and board chair helps to ensure that the Board and management act with a common purpose. In our view, separating the positions of chief executive officer and board chair has the potential to give rise to divided leadership, which could interfere with good decision-making or weaken our ability to develop and implement strategy. Instead, we believe that combining the positions of chief executive officer and board chair provides a single, clear chain of command to execute our strategic initiatives and business plans. In addition, we believe that a combined chief executive officer and board chair is better positioned to act as a bridge between management and the Board, facilitating the regular flow of information. We also believe that it is advantageous to have a board chair with an extensive history with and knowledge of the Company (as is the case with our chief executive officer) as compared to a relatively less informed independent board chair.

The Board appointed Mr. Pascoe as our lead independent director to help reinforce the independence of the Board as a whole. The position of lead independent director has been structured to serve as an effective balance to a combined chief executive officer and board chair. As the lead independent director, Mr. Pascoe presides over meetings of our independent directors when needed, serves as a liaison between our chairman and the independent directors and performs additional duties as our Board may otherwise determine or delegate from time to time. As a result, we believe that the lead independent director can help ensure the effective independent functioning of the Board in its oversight responsibilities. In addition, we believe that the lead independent director is better positioned to build a consensus among directors and to serve as a conduit between the other independent directors and the board chair, for example, by facilitating the inclusion on meeting agendas of matters of concern to the independent directors. In light of Dr. Mickle’s extensive history with and knowledge of the Company, and because the Board’s lead independent director is empowered to play a significant role in the Board’s leadership and in reinforcing the independence of the Board, the Company believes that it is advantageous for the Company to combine the positions of chief executive officer and board chair.

ROLE OF THE BOARD IN RISK OVERSIGHT

One of the Board's key functions is informed oversight of our risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also provides oversight and assistance in connection with our legal, regulatory and ethical compliance programs as established by management and the Board. Our Nominating and Corporate Governance Committee oversees all aspects of our corporate governance functions. The Board's Compensation Committee (the "Compensation Committee") assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Both the Board as a whole and the various standing committees receive periodic reports from our employees responsible for risk management, as well as incidental reports as matters may arise. It is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible.

MEETINGS OF THE BOARD OF DIRECTORS

Our Board met ten times during 2018. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he served held during the portion of 2018 for which he was a director or committee member.

As required under the applicable Nasdaq listing standards, in the fiscal year ending December 31, 2018, our independent directors met four times in regularly scheduled executive sessions at which only our independent directors were present. Our lead independent director presided over these executive sessions.

Audit Committee

The Audit Committee reviews our internal accounting procedures and consults with and reviews the services provided by our independent registered public accounting firm. Our Audit Committee consists of three directors, Richard W. Pascoe, Joseph B. Saluri and Danny L. Thompson. Our Board has determined that each of

Messrs. Pascoe, Saluri and Thompson are independent directors under Nasdaq listing rules and under Rule 10A-3 under Securities Exchange Act of 1934, as amended (the “Exchange Act”). Mr. Thompson is the chairman of the Audit Committee and our Board has determined that Mr. Thompson is an “audit committee financial expert” as defined by SEC rules and regulations and based on a qualitative assessment of Mr. Thompson’s level of knowledge and experience based on a number of factors including his previous business experience as described above under the section titled “Proposal 1—Election of Directors—Nominees for Election for a Three-Year Term Expiring at the 2022 Annual Meeting.” The principal duties and responsibilities of the Audit Committee include:

- appointing and retaining an independent registered public accounting firm to audit our financial statements, overseeing the independent registered public accounting firm’s work and determining the independent registered public accounting firm’s compensation;
- approving in advance all audit services and non-audit services to be provided to us by our independent registered public accounting firm;
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls, auditing or compliance matters, as well as for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters;
- reviewing and discussing with management and our independent registered public accounting firm the results of the annual audit and the independent registered public accounting firm’s review of our quarterly financial statements; and
- conferring with management and our independent registered public accounting firm about the scope, adequacy and effectiveness of our internal accounting control and our financial reporting.

The Audit Committee met six times during the last fiscal year. Our Board has adopted a written audit committee charter that is available to our stockholders at www.kempharm.com.

Report of the Audit Committee of the Board of Directors (1)

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2018 with our management. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board (“PCAOB”). The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm’s independence. Based on the foregoing, the Audit Committee has recommended to our Board that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

Compensation Committee

The Compensation Committee is composed of three directors, Richard W. Pascoe, Matthew R. Plooster and David S. Tierney. All members of our Compensation Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards) and each is a non-employee member of our Board as defined in Rule 16b-3 under the Exchange Act. Mr. Plooster is the chairman of the Compensation Committee. Our Board has determined that the composition of the Compensation Committee satisfies the applicable independence requirements under, and the functioning of our Compensation Committee, complies with the applicable requirements of the Nasdaq listing rules and SEC rules and regulations.

The principal duties and responsibilities of the Compensation Committee include:

- establishing and approving, or, if it deems appropriate, recommend to the Board, performance goals and objectives relevant to the compensation of our chief executive officer, evaluating the performance of our chief executive officer in light of those goals and objectives and setting, or recommending to the full Board for approval, the compensation of our chief executive officer's compensation, including incentive-based and equity-based compensation, based on that evaluation;
- setting the compensation of our other executive officers, based in part on recommendations of the chief executive officer;
- exercising administrative authority under our stock plans, as well as stock appreciation rights plans, pension and profit-sharing plans, incentive plans, stock bonus plans, stock purchase plans, bonus plans, deferred compensation plans, or any other similar programs which may be adopted from time to time;
- establishing policies and making recommendations to our Board regarding director compensation;
- reviewing and discussing with management the compensation discussion and analysis that we may be required from time to time to include in SEC filings; and
- preparing a compensation committee report on executive compensation as may be required from time to time to be included in our annual proxy statements or annual reports on Form 10-K filed with the SEC.

The Compensation committee met three times during 2018. Our Board has adopted a written compensation committee charter that is available to our stockholders at www.kempharm.com.

Compensation Committee Processes and Procedures

Typically, the Compensation Committee meets three times per year, but may meet with greater or lesser frequency, as deemed necessary by the Compensation Committee. The agenda for each meeting is usually developed by the chair of the Compensation Committee, in consultation with our chief executive officer. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. Our chief executive officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the Compensation Committee's charter, the Compensation Committee has the authority to obtain, at the expense of the Company, advice and assistance from internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any advisers engaged for the purpose of advising the Compensation Committee. In particular, the Compensation Committee has the authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve

the consultant's reasonable fees and other retention terms. Under the Compensation Committee's charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and Nasdaq, that bear upon the adviser's independence. However, there is no requirement that any adviser be independent.

During 2018, with consideration of the factors prescribed by the SEC and Nasdaq, the Compensation Committee extended its engagement with Radford, an Aon Hewitt company, as a compensation consultant. The Compensation Committee requested that Radford provide an update to its report from 2017 in which Radford provided the following:

- an evaluation of the efficacy of the Company's existing compensation strategy and practices in supporting and reinforcing the Company's long-term strategic goals; and
- assistance in refining the Company's compensation strategy and implementation of a non-employee director and executive compensation programs.

As part of its engagement, the Compensation Committee requested that Radford review the comparative group of companies previously selected, and to use the updated comparative group to perform analyses of competitive performance and compensation levels prevailing within that group and to perform analyses of competitive performance and compensation levels for that group. Radford developed recommendations that were presented to the Compensation Committee for its consideration. Following discussion with Radford and management, the Compensation Committee recommended that our Board approve the recommendations from Radford for our non-employee directors.

Under its charter, the Compensation Committee may form, and delegate authority to, subcommittees as appropriate. In 2015, the Compensation Committee formed a single person non-officer stock award committee, currently composed of our chief executive officer, Travis C. Mickle, to which it delegated authority to grant, without any further action required by the Compensation Committee, stock awards to employees who are not officers of the Company, provided that such grants are made in accordance with guidelines established by the Compensation Committee. The purpose of this delegation of authority is to enhance the flexibility of our stock award administration and to facilitate the timely grant of stock awards to non-management employees, particularly new employees, within specified limits approved by the Compensation Committee. In particular, the single person non-officer stock award committee may not grant stock awards to acquire more than 22,500 shares per employee and all grants made by this committee must be made to persons below the level of vice president. As part of the Compensation Committee's oversight function, the minutes of each meeting and copies of each action by unanimous written consent of the single-member committee are to be sent to the members of the Compensation Committee. In 2018, the single-member committee exercised its authority to grant options to purchase an aggregate of 29,250 shares to non-officer employees.

The Compensation Committee endeavors to make significant adjustments to annual compensation, determine bonus and equity awards and establish new performance objectives at one or more meetings held during the first quarter of the year. However, the Compensation Committee also considers matters related to individual compensation, such as compensation for new executive hires, as well as high-level strategic issues, such as the efficacy of our compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year. Generally, the Compensation Committee's process comprises two related elements: the determination of compensation levels and the establishment of performance objectives for the current year. For executives other than the chief executive officer, the Compensation Committee solicits and considers evaluations and recommendations submitted to it by the chief executive officer. In the case of the chief executive officer, the evaluation of his performance is conducted by the Compensation Committee, which determines any adjustments to his compensation as well as awards to be granted. For all executive officers, as part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and

accounting information, tally sheets that set forth the total compensation that may become payable to executives in various hypothetical scenarios, executive stock ownership information, company stock performance data, analyses of historical executive compensation levels and current Company-wide compensation levels and recommendations of the Compensation Committee's compensation consultant, including analyses of executive compensation paid at other companies identified by the consultant.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee (the "Nominating and Corporate Governance Committee") of the Board is composed of three directors, Matthew R. Plooster, Joseph B. Saluri and David S. Tierney. Mr. Saluri is the chairman of the Nominating and Corporate Governance Committee. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards).

The principal duties and responsibilities of the Nominating and Corporate Governance Committee include:

- identifying, reviewing and evaluating candidates to serve as our directors (consistent with criteria approved by the Board);
- reviewing and evaluating incumbent directors;
- recommending to the Board for selection candidates for election to the Board;
- making recommendations to the Board regarding the membership of the committees of the Board;
- assessing the performance of the Board; and
- overseeing and reviewing the Company's corporate governance functions on behalf of the Board.

The Nominating and Corporate Governance Committee met two times during 2018. The Board has adopted a written Nominating and Corporate Governance Committee charter that is available to our stockholders at www.kempharm.com.

The Nominating and Corporate Governance Committee appreciates the value of thoughtful Board refreshment, and regularly identifies and considers qualities, skills and other director attributes that would enhance the composition of the Board. The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment, independence for purposes of the Nasdaq listing standards, diversity and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate, given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance

committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee c/o KemPharm, Inc., 1180 Celebration Blvd. Suite 103, Celebration, FL 34747, Attn: Secretary, at least 90 days, but not more than 120 days, prior to the anniversary date of the preceding year's annual meeting of stockholders. Submissions must include the full name age, business address and residence address of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information for the proposed nominee, a description of the proposed nominee's qualifications as a director, the name and address of the stockholder on whose behalf the submission is made and the number and class of the Company's shares that are beneficially owned by such stockholder and such nominee as of the date of submission, including the date that such shares were acquired by such nominee. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. Stockholders who wish to communicate with the Board may do so by sending written communications addressed to KemPharm, Inc., 1180 Celebration Blvd. Suite 103, Celebration, FL 34747, Attn: Secretary. Each communication must set forth:

- the name and address of the stockholder on whose behalf the communication is sent; and
- the number and class of shares of the Company that are owned beneficially by such stockholder as of the date of the communication.

The secretary will review each communication. The Secretary will forward such communication to the Board or to any individual director to whom the communication is addressed unless the communication contains advertisements or solicitations or is unduly hostile, threatening or similarly inappropriate, in which case the secretary shall discard the communication. These screening procedures have been approved by a majority of the independent directors.

All communications directed to the Audit Committee in accordance with our open door policy for reporting complaints regarding accounting and auditing matters that relate to questionable accounting or auditing matters involving the Company will be promptly and directly forwarded to the chairperson of the Audit Committee.

CODE OF ETHICS

We have adopted the KemPharm, Inc. Code of Business Conduct and Ethics (the "Code of Conduct") that applies to all officers, directors and employees. The Code of Conduct is available on our website at www.kempharm.com. If we make any substantive amendments to the Code of Conduct or grant any waiver from a provision of the Code of Conduct to any executive officer or director, we will promptly disclose the nature of the amendment or waiver on our website.

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee has selected RSM as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2019 and has further directed that management submit the appointment of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. RSM has audited the Company's financial statements since 2017. Representatives of RSM are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Amended and Restated Bylaws nor other governing documents or law require stockholder ratification of the appointment of RSM as the Company's independent registered public accounting firm. However, the audit committee is submitting the appointment of RSM to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the audit committee will reconsider whether or not to retain RSM. Even if the appointment is ratified, the audit committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the appointment of RSM.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

On March 23, 2017, the Company, at the discretion of the Audit Committee, dismissed Ernst & Young LLP ("EY") as the Company's independent registered public accounting firm. The Company then engaged RSM to serve as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2017. The Company filed a Current Report on Form 8-K on March 28, 2017 reporting this change.

The reports of EY on the financial statements of the Company for the fiscal years ended December 31, 2016 and 2015, did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles, except for an explanatory paragraph for the adoption of new accounting standards.

In connection with the audits of the Company's financial statements for each of the two fiscal years ended December 31, 2016 and 2015, and in the subsequent interim period from January 1, 2017 through March 23, 2017, there were no disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) with EY on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which if not resolved to the satisfaction of EY, would have caused EY to make reference to the matter in their reports.

During the Company's fiscal years ended December 31, 2016 and 2015, and the subsequent interim period through March 23, 2017, there have been no reportable events (as described in Item 304(a)(1)(v) of Regulation S-K).

During the Company's fiscal years ended December 31, 2016 and 2015, and the subsequent interim period through March 23, 2017, neither the Company nor anyone on its behalf has consulted with RSM regarding (i) the application of accounting principles to a specific transaction, either completed or proposed or (ii) the type of audit opinion that might be rendered on the Company's financial statements and, neither a written report nor oral advice was provided to the Company that RSM concluded was an important factor considered by the Company in reaching a decision as to accounting, auditing or financial reporting issues, or (iii) any matter that was the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions), or (iv) any "reportable event" (as described in Item 304(a)(1)(v) of Regulation S-K).

The following table represents aggregate fees billed to the Company for the fiscal years ended December 31, 2018 and December 31, 2017, by RSM, the Company's principal accountant for those fiscal years.

	Fiscal Year Ended(1)	
	2018	2017
	(in thousands)	
Audit Fees(2)	\$293	\$217
Audit-related Fees(3)	—	—
Tax Fees(4)	—	—
All Other Fees(5)	—	—
Total Fees	\$293	\$217

- (1) All fees described above were pre-approved by the Audit Committee.
- (2) Audit Fees are fees for the annual audit and quarterly reviews of the Company's financial statements, audits required by public company regulation, professional consultations with respect to accounting issues, registration statement filings and issuance of consents and similar matters.
- (3) Audit-related Fees are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees."
- (4) Tax Fees are fees for tax compliance, planning and preparation.
- (5) All Other Fees are fees for products and services other than the services described above. No Other Fees were billed in fiscal year 2018 or 2017.

In connection with the audit of the 2019 financial statements, the Company plans to enter into an engagement agreement with RSM that sets forth the terms by which RSM would perform audit services for the Company. That agreement is subject to alternative dispute resolution procedures and an exclusion of non-monetary or equitable relief.

PRE-APPROVAL POLICIES AND PROCEDURES.

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by the Company's independent registered public accounting firm. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services, tax services and other permissible non-audit services, so long as such non-audit services will not impair the independent registered public accounting firm's independence and are consistent with applicable rules and regulations, up to specified amounts. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual, explicit, case-by-case basis before the independent registered public accounting firm is engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be reported to the full Audit Committee at its next scheduled meeting.

The Audit Committee has determined that the rendering of services other than audit services by RSM was compatible with maintaining the independent registered public accounting firm's independence.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 2.

- each person, or group of affiliated persons, who is known by us to beneficially own more than 5% of our common stock;
- each of our named executive officers;

In addition, the rules include shares of common stock issuable pursuant to (i) the conversion of outstanding convertible notes, assuming a conversion date of May 4, 2019, and (ii) the exercise of stock options or warrants that are either immediately exercisable or exercisable on or before May 4, 2019, which is 60 days after March 5, 2019. These shares are deemed to be outstanding and beneficially owned by the person holding those convertible notes, options or warrants for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, the persons or entities identified in this table have sole voting and investment power with respect to all shares shown as beneficially owned by them, subject to applicable community property laws.

- (2) Other than as discussed below under “Narrative to Summary Compensation Table—Annual Bonus and Non-Equity Incentive Plan Awards,” the amounts for 2017 reflect non-equity incentive plan awards paid in 2018, for performance in 2017. The Compensation Committee determined that no non-equity incentive plan awards were earned in 2018.
- (3) The amounts reflect the full grant date fair value for awards granted during 2018 and 2017, respectively. The grant date fair value was computed in accordance with ASC Topic 718, *Compensation—Stock Compensation*. Unlike the calculations contained in our financial statements, this calculation does not give effect to any estimate of forfeitures related to service-based vesting, but assumes that the executive will perform the requisite service for the award to vest in full. The assumptions we used in valuing options are described in Note K to our audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

Narrative to Summary Compensation Table

We review compensation at least annually for all employees, including our executives. In setting executive base salaries and bonuses and granting equity incentive awards, we consider compensation for comparable positions in the market, the historical compensation levels of our executives, individual performance as compared to our expectations and objectives, our desire to motivate our employees to achieve short- and long-term results that are in the best interests of our stockholders, and a long-term commitment to our company. We do not target a specific competitive position or a specific mix of compensation among base salary, bonus or long-term incentives. The Compensation Committee has historically determined our executives' compensation. Our Compensation Committee typically reviews and discusses management's proposed compensation with the chief executive officer for all executives other than the chief executive officer. Based on those discussions and its discretion, our Compensation Committee, without members of management present, discusses and ultimately approves the compensation of our executive officers.

Annual Base Salary

Our named executive officers' base salaries are reviewed periodically by our Compensation Committee, and adjustments may be made upon the approval of the Compensation Committee.

Effective March 1, 2016, our Compensation Committee approved an increase in Dr. Mickle's, Dr. Guenther's, and Mr. Johnson's annual base salaries to \$500,000, \$345,000, and \$330,000 respectively.

In April 2016, we entered into an employment with Mr. Cohen under which his annual base salary was established at \$350,000.

Effective March 1, 2018, our Compensation Committee approved an increase in Dr. Mickle's, Dr. Guenther's and Mr. Johnson's annual base salaries to \$515,000, \$355,000, and \$340,000 respectively. Mr. Cohen's annual base salary was not changed for 2018.

Effective March 1, 2019, our Compensation Committee approved an increase in Dr. Mickle's, Dr. Guenther's and Mr. Johnson's annual base salaries to \$530,450, \$365,650, and \$350,200 respectively.

Annual Bonus and Non-Equity Incentive Plan Awards

Our Board and Compensation Committee may make cash bonus and non-equity incentive plan awards in their discretion.

In January 2018, our Compensation Committee approved cash awards to Dr. Mickle, Dr. Guenther, Mr. Johnson and Mr. Cohen of \$136,000, \$65,688, \$62,832 and \$66,640 respectively, for their services in 2017.

In February 2019, our Compensation Committee determined that no cash awards would be paid to our executive officers for their services in 2018.

These award amounts, to the extent they were in recognition for Dr. Mickle's, Dr. Guenther's, Mr. Johnson's and Mr. Cohen's performance during the indicated year, are reflected in the "Non-Equity Incentive Plan Awards" column of the Summary Compensation Table above for the indicated year.

Pursuant to his April 2016 employment agreement, upon his employment with the Company, we awarded Mr. Cohen a cash award of \$125,000. In addition, also pursuant to his April 2016 employment agreement, upon the one-year anniversary of his employment with the Company, we awarded Mr. Cohen a cash award of \$100,000.

These award amounts, to the extent they were awarded during the indicated year, are reflected in the "Bonus" column of the Summary Compensation Table above for the indicated year.

Long-Term Incentives

Our 2014 equity incentive plan (the “2014 Plan”) authorizes us to make grants to eligible recipients of non-qualified stock options, incentive stock options and other stock-based awards. All of our awards under this plan have been in the form of stock options.

We typically grant stock options at the start of employment to each executive and our other employees. Through December 31, 2018, we have not maintained a practice of granting additional equity on an annual basis, but we have retained discretion to provide additional targeted grants in appropriate circumstances.

We award stock options to employees who are not officers of the Company on the date the single person non-officer stock award subcommittee of the Compensation Committee approves the grant. If employees are officers of the Company we award stock options on the date the Compensation Committee approves the grant. We set the option exercise price as the last reported sale price of our common stock on The Nasdaq Global Market on the date of grant.

In January 2017, we granted Dr. Mickle an option to purchase 225,000 shares of our common stock. The shares subject to this option will vest in equal annual installments over a period of four years. The exercise price of this option is \$3.55 per share, which equaled the closing sale price per share of our common stock as reported on The Nasdaq Global Market on the date of grant. In January 2018, we granted Dr. Mickle an option to purchase 225,000 shares of our common stock. The shares subject to this option will vest in equal annual installments over a period of four years. The exercise price of this option is \$5.50 per share, which equaled the closing sale price per share of our common stock as reported on The Nasdaq Global Market on the date of grant. In February 2019, we granted Dr. Mickle an option to purchase 420,000 shares of our common stock. The shares subject to this option will vest in equal annual installments over a period of four years. The exercise price of this option is \$2.66 per share, which equaled the closing sale price per share of our common stock as reported on The Nasdaq Global Market on the date of grant. All shares subject to vesting under these options vested in full and became immediately exercisable upon the closing of a sale or other change in control of our company.

In January 2017, we granted Mr. Cohen an option to purchase 75,000 shares of our common stock. The shares subject to this option originally vested in equal annual installments over a period of four years. The exercise price of this option is \$3.55 per share, which equaled the closing sale price per share of our common stock as reported on The Nasdaq Global Market on the date of grant. The shares subject to this option originally vested in equal annual installments over a period of four years. All shares subject to vesting under these options vested in full and become immediately exercisable in August 2018 in accordance with the terms of Mr. Cohen’s separation agreement.

In January 2017, we granted Dr. Guenther an option to purchase 75,000 shares of our common stock. The shares subject to this option will vest in equal annual installments over a period of four years. In February 2019, we granted Dr. Guenther an option to purchase 160,000 shares of our common stock. The shares subject to this option will vest in equal annual installments over a period of four years. The exercise price of this option is \$2.66 per share, which equaled the closing sale price per share of our common stock as reported on The Nasdaq Global Market on the date of grant. All shares subject to vesting under these options will vest in full and become immediately exercisable upon the closing of a sale or other change in control of our company.

In January 2017, we granted Mr. Johnson an option to purchase 75,000 shares of our common stock. The shares subject to this option will vest in equal annual installments over a period of four years. In February 2019, we granted Mr. Johnson options to purchase 100,000 and 60,000 shares of our common stock. The shares subject to these options will vest in equal annual installments over a period of four years. The exercise price of these options are \$2.66 and \$2.29 per share respectively, which equaled the closing sale price per share of our common stock as reported on The Nasdaq Global Market on the date of the applicable grant. All shares subject to vesting under these options will vest in full and become immediately exercisable upon the closing of a sale or other change in control of our company.

Other Compensation

Other amounts shown in the “All Other Compensation” column in the Summary Compensation Table relate to Company contributions to the 401(k) plan and premiums we paid for life and disability insurance policies on behalf of the named executive officer. Amounts shown in the “All Other Compensation” column in the Summary Compensation Table for Mr. Cohen also include severance payments we paid to him in 2018 in accordance with his separation agreement.

Except for the benefits described above, we do not provide perquisites or personal benefits to our named executive officers. We do, however, pay the premiums for medical, dental and vision insurance for all of our employees, including our named executive officers.

Pursuant to his August 2018 separation agreement, we paid Mr. Cohen a one-time severance payment of \$81,555, which amount is equal to Mr. Cohen’s pro rata bonus in 2018. We are also obligated under Mr. Cohen’s separation agreement to pay him severance payments equal to Mr. Cohen’s annual base salary in 2018 for a period of ten months following his separation. We paid Mr. Cohen an aggregate of \$116,667 in 2018 in partial satisfaction of this obligation. We have also agreed to pay health insurance premiums for Mr. Cohen for ten months following his separation.

Employment Arrangements and Potential Payments upon Termination of Employment

In May 2014, we entered into an employment agreement with Dr. Mickle, under which Dr. Mickle serves as our president and chief executive officer. Under this agreement, upon the execution of a release of claims, Dr. Mickle is eligible to receive severance benefits in specified circumstances.

In the event that we terminate Dr. Mickle without cause or he resigns for good reason, Dr. Mickle will be entitled to receive (a) an amount equal to 18 months of his annual base salary, less applicable deductions, payable in accordance with our normal payroll schedule, (b) a pro rata bonus award payable on the first regularly scheduled pay day following the 60th day after his termination, (c) 18 months of continued health coverage and (d) full vesting of his outstanding equity awards, except that if such termination occurs within 60 days before, upon or within one year following a sale that constitutes a “change in control event” as defined under the Internal Revenue Code of 1986, as amended (the “Code”), then Dr. Mickle will be entitled to receive his 18 month salary continuation and his target annual bonus in one lump sum payment on the first regularly scheduled pay day following the 60th day after his termination. In the event that we terminate Dr. Mickle with cause, Dr. Mickle resigns without good reason, or his employment is terminated due to mutual agreement, death or disability, then Dr. Mickle will not be entitled to receive severance benefits. Under the terms of Dr. Mickle’s employment agreement, if we enter into any change of control, all then unvested shares subject to outstanding options shall become fully vested and immediately exercisable immediately prior to such change in control.

The following definitions have been adopted in Dr. Mickle's employment agreement:

- "cause" means (a) executive is convicted of, or pleads *nolo contendere* to, a crime constituting a misdemeanor involving dishonesty or moral turpitude or any crime constituting a felony, (b) executive neglects, refuses or fails to perform executive's material duties, (c) executive commits a material act of dishonesty or otherwise engages in or is guilty of gross negligence or willful misconduct in the performance of executive's duties or (d) executive materially breaches the provisions of any written non-competition, non-disclosure or non-solicitation agreement, or any other agreement with us; and
- "good reason" means (a) material diminution by us of the executive's authority, duties or responsibilities the duration of which is greater than 15 days and which is not the result of his acts or omissions which constitute cause, (b) a material change in the geographic location at which the executive must perform services under the agreement, (c) a material diminution in his base salary which is not the result of an across-the-board reduction in base salaries of other senior executives of the Company or (d) any action or inaction that constitutes a material breach by us of the agreement, including our failure to pay any amounts due to the executive or our failure to obtain from a successor the express assumption of the agreement.

In April 2016, we entered into an amended and restated employment agreement with Dr. Guenther, under which Dr. Guenther serves as our executive vice president, research and development. Under this agreement, upon the execution of a release of claims, Dr. Guenther is eligible to receive severance benefits in specified circumstances.

In the event that we terminate Dr. Guenther without cause or he resigns for good reason, Dr. Guenther will be entitled to receive (a) an amount equal to 12 months of his annual base salary, less applicable deductions, payable in accordance with our normal payroll schedule, (b) a pro rata bonus award payable on the first regularly scheduled pay day following the 60th day after his termination, (c) 12 months of continued health coverage and (d) full vesting of his outstanding equity awards, except that if such termination occurs within 60 days before, upon or within one year following a sale that constitutes a "change in control event" as defined under the Code then Dr. Guenther will be entitled to receive his 12 month salary continuation and his pro rata bonus award in one lump sum payment on the first regularly scheduled pay day following the 60th day after his termination. In the event that we terminate Dr. Guenther with cause, Dr. Guenther resigns without good reason, or the employment is terminated due to mutual agreement, death or disability, then Dr. Guenther will not be entitled to receive severance benefits. Under the terms of Dr. Guenther's employment agreement, if we enter into any change of control, all then unvested shares subject to outstanding options shall become fully vested and immediately exercisable immediately prior to such change in control.

The following definitions have been adopted in Dr. Guenther's employment agreement:

- "cause" means (a) executive performed an act or acts of willful and material malfeasance or misconduct with respect to the performance of his duties and responsibilities as an employee and executive officer or under the agreement that results in material harm to us that remains uncorrected for 15 days after receipt of written notice, (b) executive's continued failure to devote his full business time and attention and his best efforts to the faithful performance of his material duties and responsibilities (other than a failure resulting from disability) that remains uncorrected for 15 days after receipt of written notice, (c) executive's material breach of any material provision of the agreement that remains uncorrected for 15 days after receipt of written notice, (d) the commission of an act of fraud, embezzlement, misappropriation, or personal dishonesty against us (which, if proven, would constitute a felony) or (e) the conviction, or plea of *nolo contendere*, to a crime constituting a felony; and
- "good reason" means (a) material diminution by us of executive's authority, duties or responsibilities, the duration of which is greater than 15 days and which is not the result of his acts or omissions which constitute cause (b) a material change in the geographic location at which executive must principally perform services under the agreement, (c) a material diminution in his base salary which is not the

result of his acts or omissions which constitute cause or (d) any action or inaction that constitutes a material breach by us of the agreement, including our failure to pay any amounts due to executive or our failure to obtain from a successor the express assumption of the agreement.

In June 2015, we entered into an amended and restated employment agreement with Mr. Johnson under which he serves as our chief business officer. Under this agreement, Mr. Johnson is eligible to receive severance benefits in specified circumstances.

In the event that we terminate Mr. Johnson without cause or he resigns for good reason, Mr. Johnson will be entitled to receive (a) an amount equal to 12 months of his annual base salary, less applicable deductions, payable in accordance with our normal payroll schedule, (b) a pro rata bonus award payable on the first regularly scheduled pay day following the 60th day after his termination, (c) 12 months of continued health coverage and (d) full vesting of his outstanding equity awards, except that if such termination occurs within 60 days before, upon or within one year following a sale that constitutes a “change in control event” as defined under the Code then Mr. Johnson will be entitled to receive his 12 month salary continuation and his pro rata bonus award in one lump sum payment on the first regularly scheduled pay day following the 60th day after his termination. In the event that we terminate Mr. Johnson with cause, Mr. Johnson resigns without good reason, or the employment is terminated due to mutual agreement, death or disability, then Mr. Johnson will not be entitled to receive severance benefits. Under the terms of Mr. Johnson’s amended and restated employment agreement, if we enter into any change of control, all then unvested shares subject to outstanding options shall become fully vested and immediately exercisable immediately prior to such change in control.

The following definitions have been adopted in Mr. Johnson’s employment agreement:

- “cause” means (a) executive performed an act or acts of willful and material malfeasance or misconduct with respect to the performance of his duties and responsibilities as an employee and executive officer or under the agreement that results in material harm to us that remains uncorrected for 15 days after receipt of written notice, (b) executive’s continued failure to devote his full business time and attention and his best efforts to the faithful performance of his material duties and responsibilities (other than a failure resulting from disability) that remains uncorrected for 15 days after receipt of written notice, (c) executive’s material breach of any material provision of the agreement that remains uncorrected for 15 days after receipt of written notice, (d) the commission of an act of fraud, embezzlement, misappropriation, or personal dishonesty against us (which, if proven, would constitute a felony) or (e) the conviction, or plea of *nolo contendere*, to a crime constituting a felony; and
- “good reason” means (a) material diminution by us of executive’s authority, duties or responsibilities (i) the duration of which is greater than 15 days and which is not the result of his acts or omissions which constitute cause, (ii) which is not temporary while executive is physically or mentally incapacitated and (iii) which is not otherwise required by applicable law, (b) a material change in the geographic location at which executive must principally perform services under the agreement, (c) a material diminution in his base salary which is not the result of his acts or omissions which constitute cause or (d) any action or inaction that constitutes a material breach by us of the agreement, including our failure to pay any amounts due to executive or our failure to obtain from a successor the express assumption of the agreement.

In August 2018 we entered into a separation agreement with Mr. Cohen, under which Mr. Cohen is eligible to receive severance benefits which are described in detail below.

In accordance with Mr. Cohen’s separation agreement, Mr. Cohen is entitled to receive (a) an amount equal to ten months of his annual base salary, less applicable deductions, payable in accordance with our normal payroll schedule, (b) a pro rata bonus award payable on his first regularly scheduled pay day following his separation date (paid in September 2018), (c) ten months of health coverage and, (d) full vesting of his outstanding equity awards as of the separation date and an extension of the expiration date of these awards to September 30, 2019.

Equity Incentive Plans

2014 Equity Incentive Plan

Our Board adopted and our stockholders have approved our 2014 Plan. The 2014 Plan became effective on April 15, 2015. As of December 31, 2018, options exercisable for 3,365,833 shares of our common stock have been granted and 4,375 shares of our common stock have been issued under our 2014 Plan. Our 2014 Plan provides for the grant of incentive stock options within the meaning of Section 422 of the Code to our employees and our parent and subsidiary corporations' employees, and for the grant of non-statutory stock options, restricted stock awards, restricted stock unit awards, stock appreciation rights, performance stock awards and other forms of stock compensation to our employees, including officers, consultants and directors. Our 2014 Plan also provides for the grant of performance cash awards to our employees, consultants and directors.

Authorized Shares

The maximum number of shares of our common stock that may be issued under our 2014 Plan as of December 31, 2018 was 4,018,480 shares. The number of shares of our common stock reserved for issuance under our 2014 Plan will automatically increase on January 1 of each year, for a period of ten years, from January 1, 2016 continuing through January 1, 2024, by 4.0% of the total number of shares of our common stock outstanding on December 31 of the preceding calendar year, or a lesser number of shares as may be determined by our Board. On January 1, 2019, the maximum number of shares of our common stock reserved for issuance under our 2014 Plan was increased by 1,058,214 shares as a result of this automatic increase. The maximum number of shares that may be issued pursuant to the exercise of incentive stock options under the 2014 Plan is 13,600,000. The aggregate maximum number of shares subject to awards granted during a single fiscal year to any non-employee director, taken together with any cash fees paid to such non-employee director during the fiscal year, cannot exceed \$500,000 in total value, calculating the value of any such awards based on the grant date fair value of such awards for financial reporting purposes and excluding the value of any dividend equivalent payments paid pursuant to any award granted in a previous fiscal year.

Shares issued under our 2014 Plan may be authorized but unissued or reacquired shares of our common stock. Shares subject to stock awards granted under our 2014 Plan that expire or terminate without being exercised in full, or that are paid out in cash rather than in shares, will not reduce the number of shares available for issuance under our 2014 Plan. Additionally, shares issued pursuant to stock awards under our 2014 Plan that we repurchase or that are forfeited, as well as shares reacquired by us as consideration for the exercise or purchase price of a stock award or to satisfy tax withholding obligations related to a stock award, will become available for future grant under our 2014 Plan.

Administration

Our Board, or a duly authorized committee thereof, has the authority to administer our 2014 Plan. Our Board has delegated its authority to administer our 2014 Plan to our Compensation Committee under the terms of the Compensation Committee's charter. Our Board, or a duly authorized committee thereof, may also delegate to one or more of our officers the authority to (a) designate employees other than officers to receive specified stock awards and (b) determine the number of shares of our common stock to be subject to such stock awards. Our Compensation Committee has delegated this authority to our chief executive officer, Travis C. Mickle, but not for himself and not for our executive officers. Subject to the terms of our 2014 Plan, the administrator has the authority to determine the terms of awards, including recipients, the exercise price or strike price of stock awards, if any, the number of shares subject to each stock award, the fair market value of a share of our common stock,

the vesting schedule applicable to the awards, together with any vesting acceleration, the form of consideration, if any, payable upon exercise or settlement of the stock award and the terms and conditions of the award agreements for use under our 2014 Plan.

The administrator has the power to modify outstanding awards under our 2014 Plan. Subject to the terms of our 2014 Plan, the administrator has the authority to reprice any outstanding option or stock appreciation right, cancel and re-grant any outstanding option or stock appreciation right in exchange for new stock awards, cash or other consideration, or take any other action that is treated as a repricing under generally accepted accounting principles, with the consent of any adversely affected participant.

Certain Limits

No participant may be granted stock awards covering more than 3,400,000 shares of our common stock under our 2014 Plan during any calendar year pursuant to stock options, stock appreciation rights and other stock awards whose value is determined by reference to an increase over an exercise price or strike price of at least 100% of the fair market value of our common stock on the date of grant. Additionally, no participant may be granted in a calendar year a performance stock award covering more than 3,400,000 shares of our common stock or a performance cash award having a maximum value in excess of \$5,000,000 under our 2014 Plan.

Performance Awards

Our 2014 Plan permits the grant of performance-based stock and cash awards. Our Compensation Committee can structure such awards so that the stock or cash will be issued or paid pursuant to such award only following the achievement of specified pre-established performance goals during a designated performance period.

Corporate Transactions

Our 2014 Plan provides that in the event of a specified corporate transaction, including a consolidation, merger, or similar transaction involving our company, the sale, lease or other disposition of all or substantially all of the assets of our company or the consolidated assets of our company and our subsidiaries, or a sale or disposition of at least 50% of the outstanding capital stock of our company, the administrator will determine how to treat each outstanding stock award. The administrator may:

- arrange for the assumption, continuation or substitution of a stock award by a successor corporation;
- arrange for the assignment of any reacquisition or repurchase rights held by us to a successor corporation;
- accelerate the vesting of the stock award and provide for its termination prior to the effective time of the corporate transaction;
- arrange for the lapse, in whole or in part, of any reacquisition or repurchase right held by us; or
- cancel the stock award prior to the transaction in exchange for a cash payment, which may be reduced by the exercise price payable in connection with the stock award.

The administrator is not obligated to treat all stock awards or portions of stock awards, even those that are of the same type, in the same manner. The administrator may take different actions with respect to the vested and unvested portions of a stock award.

Change in Control

The administrator may provide, in an individual award agreement or in any other written agreement between us and the participant, that the stock award will be subject to additional acceleration of vesting and exercisability

in the event of a change in control. In the absence of such a provision, no such acceleration of the stock award will occur.

Plan Amendment or Termination

Our board has the authority to amend, suspend, or terminate our 2014 Plan, provided that such action does not materially impair the existing rights of any participant without such participant's written consent. No incentive stock options may be granted after the tenth anniversary of the date our Board adopts our 2014 Plan.

2007 Plan

Our 2007 Plan was adopted by our Board and approved by our stockholders in June 2007. Awards outstanding under our 2007 Plan prior to completion of our initial public offering continue to be governed by their existing terms under the 2007 Plan. No further awards will be made under the 2007 Plan.

As of December 31, 2018, options to purchase 338,922 shares of our common stock were outstanding under the 2007 Plan.

Administration

Our Board or the Compensation Committee of our Board act as the administrator of the 2007 Plan. The administrator has the complete discretion to make all decisions relating to the plan and outstanding awards.

Eligibility

Employees, non-employee directors and consultants were eligible to participate in our 2007 Plan however only employees were eligible for the grant of incentive stock options.

Types of Awards

Our 2007 Plan provides for the award of incentive and non-statutory stock options and the award of incentive stock (including phantom stock credits to acquire incentive stock).

The administrator may (a) grant awards under the 2007 Plan conditional upon an election by a participant to defer payment of a portion of his or her salary, (b) give a participant a choice between two types of awards or combinations of awards, (c) grant awards in the alternative so that acceptance of or exercise of one award cancels the right of a participant to another and (d) grant awards in any combination or combinations and subject to any condition or condition consistent with the terms of the 2007 Plan that the administrator in its sole discretion may determine.

Terms of Awards

Subject to the terms of the 2007 Plan, the administrator determines the terms of all awards. The exercise price for stock options granted under the 2007 Plan may not be less than 100% of the fair market value of our common stock on the grant date; however, the exercise price for an incentive stock option granted to a holder of more than 10% of our stock may not be less than 110% of such fair market value on the grant date. Options are generally transferable only by will or the laws of descent and distribution, and may be exercised during the holder's lifetime only by the holder or, in the case of a non-statutory stock option, by the holder's guardian or legal representative.

The term of options granted under the 2007 Plan may not exceed ten years and will generally expire sooner if the optionee's service terminates. Options vest at the times determined by the administrator.

Shares may be awarded under the 2007 Plan in consideration for services rendered to us or sold under the 2007 Plan. Shares awarded or sold under the 2007 Plan may be fully vested at grant or subject to special forfeiture conditions or rights of repurchase as determined by the administrator.

Change in Control

Until June 2014, our form of incentive stock option agreement provided for acceleration of vesting upon a change of control for incentive stock option awards issued under our 2007 Plan. All unvested shares subject to such an incentive stock option award will vest in full and become immediately exercisable immediately prior to the effective date of a change of control transaction.

Our form of non-qualified stock option agreement provides for similar acceleration of vesting upon a change of control for non-qualified stock option awards issued under our 2007 Plan. All unvested shares subject to a non-qualified stock option award will vest in full and become immediately exercisable if the holder is terminated without cause within 24 months after the consummation of a change of control transaction.

Changes in Capitalization

If any change is made in the shares of the common stock by reason of any merger, consolidation, reorganization, recapitalization, stock dividend, split up, combination of shares, exchange of shares, change in corporate structure, or otherwise, appropriate adjustments will be made by the administrator to the kind and number of shares and price per share of stock subject to each outstanding award under our 2007 Plan. Any increase in the shares, or the right to acquire shares, as the result of such an adjustment will be subject to the same terms and conditions that apply to the award for which such increase was received. No fractional shares of common stock will be issued under the 2007 Plan on account of any such adjustment, and rights to shares always will be limited after such an adjustment to the lower full share.

Amendment and Termination

Our Board may at any time amend the 2007 Plan. However, our Board must obtain approval of our stockholders or any amendment requiring such approval under federal tax or federal securities laws. In addition, our Board may not alter or impair any award previously granted under the 2007 Plan without the consent of the holder of such award. The 2007 Plan will terminate ten years after the earliest of the date the 2007 Plan was adopted by our Board, the date our stockholder approved the 2007 Plan or a date determined by our Board.

401(k) Plan

We maintain a tax-qualified retirement plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax advantaged basis. Eligible employees are able to defer eligible compensation subject to applicable annual Code limits. Currently, we match 100% of each eligible employee's contributions up to 4% of total eligible compensation. Employees' pre-tax contributions are allocated to each participant's individual account and are then invested in selected investment alternatives according to the participants' directions. Employees are immediately and fully vested in their contributions, and our matching contribution is also immediately and fully vested when made. The 401(k) plan is intended to be qualified under Section 401(a) of the Code with the 401(k) plan's related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan.

Limitations on Liability and Indemnification Matters

Our amended and restated certificate of incorporation contains provisions that limit the liability of our current and former directors for monetary damages to the fullest extent permitted by Delaware law. Delaware

law provides that directors of a corporation will not be personally liable for monetary damages for any breach of fiduciary duties as directors, except liability for:

- any breach of the director's duty of loyalty to the corporation or its stockholders;
- any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or
- any transaction from which the director derived an improper personal benefit.

This limitation of liability does not apply to liabilities arising under federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

Our amended and restated certificate of incorporation and our amended and restated bylaws provide that we are required to indemnify our directors to the fullest extent permitted by Delaware law. Our amended and restated bylaws also provide that, upon satisfaction of certain conditions, we are required to advance expenses incurred by a director in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. Our amended and restated bylaws also provide our Board with discretion to indemnify our officers and employees when determined appropriate by the board. We have entered into and expect to continue to enter into agreements to indemnify our directors and executive officers. With certain exceptions, these agreements provide for indemnification for related expenses including, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors. We also maintain customary directors' and officers' liability insurance.

The limitation of liability and indemnification provisions in our amended and restated certificate of incorporation and amended and restated bylaws may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions. At present, there is no pending litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought and, other than the securities litigation matter we previously disclosed under Item 3—Legal Proceedings in our annual report on Form 10-K, we are not aware of any threatened litigation that may result in claims for indemnification.

Rule 10b5-1 Sales Plans

Our directors and executive officers may adopt written plans, known as Rule 10b5-1 plans, in which they will contract with a broker to buy or sell shares of our common stock on a periodic basis. Under a Rule 10b5-1 plan, a broker executes trades pursuant to parameters established by the director or officer when entering into the plan, without further direction from them. The director or officer may amend a Rule 10b5-1 plan in some circumstances and may terminate a plan at any time. Our directors and executive officers also may buy or sell additional shares outside of a Rule 10b5-1 plan when they are not in possession of material nonpublic information subject to compliance with the terms of our insider trading policy.

DIRECTOR COMPENSATION

In February 2016, our Compensation Committee adopted a non-employee director compensation policy. The policy provides for stipends to be paid to each of our non-employee directors for service on the Board and for service on the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee as follows:

	Member Annual Service Stipend	Chairman Additional Annual Service Stipend
Board of Directors	\$ 35,000	\$ —
Audit Committee	7,500	15,000
Compensation Committee	5,000	10,000
Nominating and Corporate Governance Committee	5,000	7,500
Lead independent director	15,000	—

These stipends are payable in four equal quarterly installments on the last day of each quarter. In addition to stipends the non-employee director compensation policy, adopted in February 2016, also provides for an annual option grant for each non-employee director for service on our Board.

Pursuant to our non-employee director compensation policy, on the date of each annual meeting of our stockholders, each director who continues to serve as a non-employee member of our Board following such stockholders meeting will be automatically granted a stock option for 10,000 shares of our common stock.

In May 2017, in accordance with the non-employee director compensation policy, we granted annual option grants for 10,000 shares of our common stock to our non-employee directors, Messrs. Pascoe, Plooster, Saluri, Thompson and Tierney, subject to their continued service with our company. The exercise price of these options is \$3.95 per share which was equal to the closing sale price of our common stock as reported on The Nasdaq Global Market on the date of grant. These options will vest in full on the earlier of (i) the first anniversary of the date of grant or (ii) one day prior to the date of the first annual meeting of our stockholders following the date of grant.

Effective February 2018, the Board amended and restated the non-employee director compensation policy to increase the number of shares subject to each non-employee director's annual option grant, who continues to serve as a non-employee member of our Board following the annual meeting of our stockholders, from 10,000 shares of our common stock to 15,000 of our common stock. These stock options will vest and become exercisable in full on the earliest of (i) the first anniversary of the grant date, (ii) the day before the first annual stockholders meeting occurring after the grant date or (iii) immediately prior to a change in control of the Company, subject in each case to the director's continued service on such vesting date.

In May 2018, in accordance with the non-employee director compensation policy, we granted annual option grants for 15,000 shares of our common stock to our non-employee directors, Messrs. Pascoe, Plooster, Saluri, Thompson and Tierney, subject to their continued service with our company. The exercise price of these options is \$6.10 per share which was equal to the closing sale price of our common stock as reported on The Nasdaq Global Market on the date of grant. These options will vest in full on the earlier of (i) the first anniversary of the date of grant or (ii) one day prior to the date of the first annual meeting of our stockholders following the date of grant.

Effective February 2019, the Board further amended and restated the non-employee director compensation policy to increase the number of shares subject to each non-employee director's annual option grant, who continues to serve as a non-employee member of our Board following the annual meeting of our stockholders, from 15,000 shares of our common stock to 30,000 of our common stock.

2018 Director Compensation Table

The following table sets forth information regarding compensation earned for service on our Board during 2018 by our non-employee directors. Dr. Mickle, our president and chief executive officer, was also a director during 2018 but did not receive any additional compensation for his service as a director. Dr. Mickle's compensation as an executive officer is set forth above under "Executive Compensation—Summary Compensation Table."

The assumptions we used in valuing options are described in Note K to our audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

RELATED-PERSON TRANSACTIONS POLICY AND PROCEDURES

Prior to our initial public offering, we did not have a formal policy regarding approval of transactions with related parties. Effective as of the completion of our initial public offering in April 2015, we adopted a related person transaction policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions. For purposes of our policy only, a related person transaction is a transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we and any related person are, were or will be participants in which the amount involved exceeds \$120,000. Transactions involving compensation for services provided to us as an employee or director are not covered by this policy. A related person is any executive officer, director or beneficial owner of more than 5% of any class of our voting securities, including any of their immediate family members and any entity owned or controlled by such persons.

Under the policy, if a transaction has been identified as a related person transaction, including any transaction that was not a related person transaction when originally consummated or any transaction that was not initially identified as a related person transaction prior to consummation, our management must present information regarding the related person transaction to our Audit Committee, or, if Audit Committee approval would be inappropriate, to another independent body of our Board, for review, consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to us of the transaction and whether the transaction is on terms that are comparable to the terms available to or from, as the case may be, an unrelated third party or to or from employees generally. Under the policy, we will collect information that we deem reasonably necessary from each director, executive officer and, to the extent feasible, significant stockholder to enable us to identify any existing or potential related-person transactions and to effectuate the terms of the policy. In addition, under our Code of Business Conduct and Ethics, our employees and directors will have an affirmative responsibility to disclose any transaction or relationship that reasonably could be expected to give rise to a conflict of interest. In considering related person transactions, our Audit Committee, or other independent body of our Board, will take into account the relevant available facts and circumstances including, but not limited to:

- the risks, costs and benefits to us;
- the impact on a director's independence in the event that the related person is a director, immediate family member of a director or an entity with which a director is affiliated;
- the availability of other sources for comparable services or products; and
- the terms available to or from, as the case may be, unrelated third parties or to or from employees generally.

The policy requires that, in determining whether to approve, ratify or reject a related person transaction, our Audit Committee, or other independent body of our Board, must consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, our best interests and those of our stockholders, as our Audit Committee, or other independent body of our Board, determines in the good faith exercise of its discretion.

CERTAIN RELATED-PERSON TRANSACTIONS

The following is a description of transactions since January 1, 2017 to which we have been a participant in which the amount involved exceeded or will exceed \$120,000 or 1% of the average of our total assets at year-end for the last two completed fiscal years, and in which any of our directors, executive officers or holders of more than 5% of our capital stock, or any members of their immediate family, had or will have a direct or indirect material interest, other than compensation arrangements which are described under "Executive Compensation."

Employment Relationship with Christal M.M. Mickle

Christal M.M. Mickle currently serves as our vice president of operations and product development and is a co-founder of our company. Travis C. Mickle, Ph.D., our chief executive officer and a member of our Board, is Ms. Mickle's spouse. The following table presents the compensation awarded to, earned by or paid to Ms. Mickle by us for the years ended December 31, 2018 and 2017.

Year	Salary (\$)	Non-Equity Incentive Plan Awards \$(1)	Option Awards \$(2)	All Other Compensation \$(3)	Total (\$)
2018	302,233	—	122,356	17,575	443,164
2017	287,000	56,930	83,460	24,470	451,860

- (1) The amounts reflect non-equity incentive plan awards paid in 2018 for performance during 2017. The Compensation Committee determined that no non-equity incentive plan awards were earned in 2018.
- (2) The amounts reflect the full grant date fair value for awards granted during 2018. The grant date fair value was computed in accordance with ASC Topic 718, *Compensation—Stock Compensation*. Unlike the calculations contained in our financial statements, this calculation does not give effect to any estimate of forfeitures related to service-based vesting, but assumes that the executive will perform the requisite service for the award to vest in full. The assumptions we used in valuing options are described in Note K to our audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2018.
- (3) Amounts shown relate to company contributions to the 401(k) plan and payments for dependent care we paid for on behalf of Ms. Mickle.

Effective March 1, 2016, our Compensation Committee approved an increase in Ms. Mickle's annual base salary to \$280,000.

Effective March 1, 2017, Ms. Mickle's annual base salary was increased to \$288,400.

Effective March 1, 2018, Ms. Mickle's annual base salary was increased to \$305,000.

Effective March 1, 2019, Ms. Mickle's annual base salary was increased to \$314,150.

In January 2017, we granted Ms. Mickle an option to purchase 30,000 shares of our common stock. The shares subject to this option will vest in equal annual installments over a period of four years. The exercise price of this option is \$3.55 per share, which equaled the closing sale price per share of our common stock as reported on The Nasdaq Global Market on the date of grant. In January 2018, we granted Ms. Mickle an option to purchase 30,000 shares of our common stock. The shares subject to this option will vest in equal annual installments over a period of four years. The exercise price of this option is \$5.50 per share, which equaled the closing sale price per share of our common stock as reported on The Nasdaq Global Market on the date of grant. In February 2019, we granted Ms. Mickle an option to purchase 60,000 shares of our common stock. The shares subject to this option will vest in equal annual installments over a period of four years. The exercise price of this option is \$2.66 per share, which equaled the closing sale price per share of our common stock as reported on The Nasdaq Global Market on the date of grant. All shares subject to vesting under these options will vest in full and become immediately exercisable upon the closing of a sale or other change in control of our company.

In May 2014, we entered into an employment agreement with Ms. Mickle, under which Ms. Mickle serves as our vice president of operations and product development. Under this agreement, upon the execution of a release of claims, Ms. Mickle is eligible to receive severance benefits in specified circumstances.

In the event that we terminate Ms. Mickle without cause or she resigns for good reason, Ms. Mickle will be entitled to receive (i) an amount equal to 12 months of her annual base salary, less applicable deductions, payable in accordance with our normal payroll schedule, (ii) a pro rata bonus award payable on the first regularly scheduled pay

day following the 60th day after her termination, (iii) 12 months of continued health coverage and (iv) full vesting of her outstanding equity awards; provided, however, if such termination occurs within 60 days before, upon or within one year following a sale that constitutes a “change in control event” as defined under the Code, then Ms. Mickle will be entitled to receive her 12 month salary continuation in one lump sum payment on the first regularly scheduled pay day following the 60th day after her termination. In the event that we terminate Ms. Mickle with cause, Ms. Mickle resigns without good reason, or the employment is terminated due to mutual agreement, death or disability, then Ms. Mickle will not be entitled to receive severance benefits. Under the terms of Ms. Mickle’s employment agreement, if we enter into any change of control, all then unvested shares subject to outstanding options shall become fully vested and immediately exercisable immediately prior to such change in control.

The following definitions have been adopted in Ms. Mickle’s employment agreement:

- “cause” means (a) executive is convicted of, or pleads nolo contendere to, a crime constituting a misdemeanor involving dishonesty or moral turpitude or any crime constituting a felony, (b) executive neglects, refuses or fails to perform executive’s material duties, (c) executive commits a material act of dishonesty or otherwise engages in or is guilty of gross negligence or willful misconduct in the performance of executive’s duties or (d) executive materially breaches the provisions of any written non-competition, non-disclosure or non-solicitation agreement, or any other agreement with us; and
- “good reason” means (a) material diminution by us of the executive’s authority, duties or responsibilities the duration of which is greater than 15 days and which is not the result of her acts or omissions which constitute cause, (b) a material change in the geographic location at which the executive must perform services under the agreement, (c) a material diminution in her base salary which is not the result of an across-the-board reduction in base salaries of other senior executives of the Company or (d) any action or inaction that constitutes a material breach by us of the agreement, including our failure to pay any amounts due to the executive or our failure to obtain from a successor the express assumption of the agreement.

Public Offering of Common Stock

On October 5, 2018, the Company entered into an underwriting agreement (the “Underwriting Agreement”) with RBC Capital Markets, LLC (the “Underwriters”), to issue and sell 8,333,334 shares of common stock of the Company in an underwritten public offering pursuant to a Registration Statement on Form S-3 (File No. 333-213926) and a related prospectus and prospectus supplement, in each case filed with the SEC (the “Offering”). The offering price to the public was \$3.00 per share of common stock in the Offering.

The table below sets forth the number of shares of the Company’s common stock purchased by and the aggregate purchase price for the shares of common stock for each purchaser that was then a director, executive officer or 5% stockholder, and their affiliates in the Offering:

<u>Name of Purchaser</u>	<u>Shares of Common Stock</u>	<u>Aggregate Purchase Price (\$)</u>
Delaware Street Capital L.L.C.	2,000,000	6,000,000
Deerfield Management Company, L.P	1,166,666	3,499,998
Alyeska Investment Group, L.P	1,000,000	3,000,000

Exchange Agreement

On October 5, 2018, the Company entered into an Exchange Agreement (the “Exchange Agreement”) with Deerfield Private Design Fund III, L.P. (“Deerfield”) and Deerfield Special Situations Fund, L.P. (the “Deerfield Holders”), which at the time were beneficial owners of more than 5% of our common stock. Under the Exchange Agreement, the Deerfield Holders exchanged an aggregate of \$9,577,000 principal amount of our 5.50% Senior

Convertible Notes due 2021 (the “2021 Notes”) for an aggregate of 9,577 shares of the Company’s Series A Preferred Stock. As of February 28, 2019, 6,240 shares of Series A Preferred Stock have been converted into 2,080,000 shares of common stock.

The Company also agreed to pay the Deerfield Holders an amount of \$95,105 in cash, which represented the amount of accrued and unpaid interest on the exchanged 2021 Notes. The Exchange Agreement contains customary representations, warranties and covenants made by the Company and the Deerfield Holders. The Exchange Agreement required the Company to reimburse the Deerfield Holders for up to \$25,000 of expenses relating to the exchange.

Supplemental Indenture and Amendment to Deerfield Note and Warrant

On November 20, 2018, the Company entered into a First Supplemental Indenture (the “Supplemental Indenture”) with U.S. Bank National Association, as trustee (the “Trustee”), to that certain Indenture, dated as of February 9, 2016 (the “Indenture”), relating to the 2021 Notes. Pursuant to the Supplemental Indenture, the Indenture was amended to allow each Holder (as defined in the Indenture) or any beneficial holder of any 2021 Notes to, at its option, elect a limit on beneficial ownership as to such Holder or beneficial owner (but not as to any other Holder or beneficial owner) that is less than or equal to the 9.985% Cap (as defined in the Indenture) or any other limit previously elected and then applicable to such Holder or beneficial owner upon written notice delivered to the Company at least three (3) business days prior to the date of effectiveness of such beneficial ownership limit (or such shorter period as may be agreed upon by the Company), specifying the percentage of shares of the Company’s common stock outstanding for the beneficial ownership limit that shall apply to such Holder or beneficial owner.

On November 20, 2018, in connection with entering into the Supplemental Indenture, the Company entered into an amendment (the “Amendment”) with Deerfield, which at the time was a beneficial owner of more than 5% of our common stock, to that certain Senior Secured Convertible Note (as amended, the “Deerfield Note”) and Warrant (as amended, the “Warrant”) previously issued by the Company to Deerfield. The Amendment, among other things, lowers the beneficial ownership limit under both the Deerfield Note and Warrant to 4.985% of the Company’s outstanding common stock. The Amendment also includes a notice from Deerfield that it has elected to lower the beneficial ownership limit under the 2021 Notes, as to Deerfield and its affiliates, to 4.985%. Except as modified by the Amendment, all terms and conditions of the Deerfield Note and Warrant remain in full force and effect.

Investors’ Rights Agreement

We have entered into an investors’ rights agreement with some of our stockholders, including Deerfield. The investors’ rights agreement, among other things, grants these stockholders specified registration rights with respect to shares of our common stock, including shares of common stock issued or issuable upon conversion or reclassification of the shares of our redeemable convertible preferred stock, convertible notes and warrants held by them. The provisions of this agreement, other than those relating to registration rights, terminated upon completion of our initial public offering, which terminated on the two-year anniversary of our initial public offering as to all stockholders party to such agreement, other than Deerfield.

Indemnification Agreements

Our amended and restated certificate of incorporation contains provisions limiting the liability of directors, and our amended and restated bylaws provide that we will indemnify each of our directors to the fullest extent permitted under Delaware law. Our amended and restated certificate of incorporation and amended and restated bylaws also provide our Board with discretion to indemnify our officers and employees when determined appropriate by the board.

In addition, we have entered into indemnification agreements with our directors and executive officers. For more information regarding these agreements, see “Executive Compensation—Limitations on Liability and Indemnification Matters.”

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are KemPharm’s stockholders will be “householding” our proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or KemPharm. Direct your written request to KemPharm, Inc., 1180 Celebration Blvd. Suite 103, Celebration, FL 34747, Attn: Secretary or contact Timothy Sangiovanni, Vice President, Corporate Controller, at (888) 958-1253. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER MATTERS

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
