The prices listed are WAC, which represent Zevra's published list prices for the product before any discount, rebate, or other price reduction. The WAC listed may differ significantly from actual prices paid by customers and consumers. In addition, a product's WAC is typically not associated with per-dose pricing, and does not necessarily reflect price per dosage, price per course of treatment, or the cost effectiveness of all the products listed.

The pricing information listed does not imply the safety or efficacy of the product. Please refer to the product's FDA-approved label and indication for further information at: www.MIPLYFFA.com.
